COMMUNITY BASED MIGRATION PROGRAMMES

To Whom It May Concern,

In the context of the collaborations with United Nations agencies, Turkish Red Crescent Community-Based Migration Programmes is providing services aimed to securing access to basic rights for vulnerable communities and individuals; enhancing psychological, social, economic, and physical well-being; and improving educational opportunities to boost community resilience and foster a culture of coexistence. Moreover, protective/preventive psychosocial support, child protection, social integration, youth empowerment, and educational support activities are being conducted for children, parents, and caregivers.

Programmes within Community-Based Migration Programmes are aimed to delivering quality services to vulnerable individuals living in the regions without discrimination based on religion, language, color, or race.

As of 2024, activities of Community-Based Migration Programmes have implemented in 44 locations across 23 provinces, including 5 Temporary Accommodation Centers (Camps), 3 Post-Earthquake Activity Areas (Tent&Container Cites), 19 Community Centers, 4 Mobile Child Friendly Areas, 6 Mobile Psychosocial Support Teams, 3 Child Protection Centers, and in 4 different locations for Ukrainians, utilizing 5 different service models.

From the beginning of the Community-Based Migration Programmes through the end of November 2024, 5,871 volunteers have been attended, and activities have reached 2.840.618 individuals.

Within the Child Programme, activities have been attended by our volunteer, **Dirgam KATRIB**, identified by ID number **46379025398**, between years 2014-2019.
